

*I know who you are and I speak your language!* That's Meredith Brubaker's credo. As a DISC-accredited behavior analyst, Meredith teaches audiences to break through communication barriers to reach the next level in teams , sales and relationships. When establishing her financial services company, she used DISC principles to mentor agents to become top producers. Her reputation as a dynamic trainer spread rapidly and soon she was invited to speak to a group of 500 agents to share her success incorporating DISC methodology.

As an in demand speaker, Meredith immediately engages the audience and combines insight with humor. Wells Fargo, Prudential, Mary Kay, Penn State Hershey Medical Center, etc. report building more effective teams and results!
