

# Meredith Forsythe BREAKING THROUGH BARRIERS

Ready....aim....communicate!

Targeting Strategic Interaction to be  
Effective

Decisions are based on trust and respect. How rapidly do your relationships get to that level? Relationships begin and grow with recognition, appreciation and cooperation. Do you have recognition, appreciation and cooperation from everyone in your sphere? How long does it take for people to get on board with your ideas?

Meredith Brubaker is both a human behavior expert and an educator. She has an uncanny knack for simplifying personality differences and relating the ease of observation and action to an audience. She demonstrates an ability that anyone can master, once you see what to look for and how to put your new found knowledge to use.

You will learn how to quickly develop.....

TRUST RESPECT APPRECIATION COOPERATION

**"Your presentation has helped me manage staff with greater insight of their strengths and to focus on these to increase productivity."**

Pat Drobnick, Penn State Hershey Medical Center

Your confidence will immediately improve as Meredith shows you how to greatly increase the odds of a successful outcome in any communications scenario, including:

LEADERSHIP CUSTOMER SERVICE MARKETING NETWORKING

Dale Carnegie stressed that 85% of success in the workplace comes from people skills rather than from knowledge and intelligence. Attendees of Meredith Brubaker keynotes and seminars receive more than a motivational speech; they learn a people skill methodology that will improve their results and increase their productivity for a lifetime.
